COVENANT FOR MAINTENANCE ASSESSMENT

Section 1: Creation of the Lien and Personal Obligation of Assessment.

Declarations for each lot within The Properties hereby covenant, and each subsequent Owner of any Lot, by acceptance of the deed therefore, whether it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant, and agree to pay the Association annual assessments and special assessments. Such assessments shall be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a continuing lien upon the property against which each such assessment is made from the date hereinafter set forth. Each such assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be a personal obligation of the person who is the Owner of such property at the time when the assessment fell due. Such personal obligation shall not pass to his successors in title unless expressly assumed by them; provided, however, that such property shall remain subject to the lien until the assessment has been paid.

Section 2: Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment, and welfare of the residents in The Properties and, especially, for the improvement and maintenance of roadways and other Facilities and to meet the financial requirements of The Association.

Section 3: Basis of Annual Assessment. The amount of the annual assessment shall be decided from time to time by the Board of Directors.

Section 4: Special Assessments. Upon vote of the Owners in the manner hereafter set forth, The Association may levy, in addition to annual assessments, special assessments for the purpose of defraying in whole or in part the cost of construction, improvement or unexpected repair or replacement of Facilities.

Section 5: Voting and Notices for Special Assessments. Any special assessment must have the assent of two thirds (2/3) of the votes of the Owners who vote, either in person or by proxy, at a meeting duly called for that purpose. Written notice of the meeting shall be sent to all owners at least 30 days in advance of the date of such meeting, setting forth the purpose of the meeting. The due date of any special assessment shall be fixed by the resolution authorizing such assessment.

Section 6: Date of Commencement of Annual Assessment. The initial annual assessment shall commence on the first day of such month as determined by the Board of Directors of The Association, shall be made for the balance of the calendar year and shall be due and payable on the date fixed by the Board. Annual assessments for any year after the first year shall become due and payable January 1st of such year. Any annual assessment paid within 30 (thirty) days of the date billed of January 1st, and received by January 31st, shall be entitled to a ten percent (10%) discount. Payments received after January 31st shall be for the full annual assessment amount.

Section 7: Duty of The Board of Directors of The Association. The board of directors shall fix the amount of the annual assessment against each lot and give each Owner written notice of such assessment at least 30 days in advance of the due date of such assessment. The Board shall prepare a roster of The Properties subject to assessments with assessments applicable to each Lot and The Association Secretary/Treasurer shall keep such roster subject to inspection by any Owner. The Board of Directors shall also have authority to require that annual assessments be paid in annual, semi-annual, quarterly, or monthly installments.

The Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing setting forth whether the assessments on the property owned by such Owner have been paid.

Section 8: Liability and Indemnification of Directors. The directors shall not be liable to the Corporation or the unit Owners for any mistake of judgement, negligence, or otherwise, except for their own willful misconduct or bad faith. The Corporation shall indemnify and hold harmless each Director and the manager or managing agent, if any, against all contractual liability to others arising out of contracts made by the Board of Directors, manager, or managing agent on behalf of the Corporation unless any such contract shall have been made in bad faith or contrary to the provisions of the Amended Protective Covenants and Conditions – Squaw Back Woods Subdivision (Sage Woods) filed herewith or of these By-laws. Each Director and the manager or managing agent, if any, shall be indemnified by the Corporation against all expenses and liabilities, including attorneys’ fees, reasonably incurred or imposed upon them in connection with any proceeding to which they may be a party, or in which they may become involved, by reason of being or having been a Director, manager, or managing agent and shall be indemnified upon any reasonable settlement thereof; provided, however, there shall be no indemnity if the Director, manager, or managing agent is adjudged guilty of willful nonfeasance, misfeasance, or malfeasance in the performance of his or her duties.

Section 9: The Effect of Nonpayment of Assessments: Lien of Association. If an assessment is not paid on the due date, such assessment shall become delinquent and shall bear interest at 18 per cent per annum. The secretary of The Association shall file in the office of the Deschutes County Clerk within 120 days after such delinquency a statement of the amount of the delinquent assessments, together with interest, and upon payment in full thereof shall execute and file a proper release of such lien. Such assessment from interest set forth above shall constitute a lien on such Lot from the date of filing notice of delinquency until the lien is released as herein provided. The Association may bring an action at law to enforce payment of a delinquent assessment against the Owner personally obligated to pay the same and may enforce such lien in the manner provided by law with respect to a lien on real property and, as an alternative option, may enforce such lien in the manner provided by law.

The Owner shall be liable for The Association’s court costs and disbursements and reasonable attorneys’ fees incurred in the preparation of filing the lien and in any proceeding to enforce the lien, or in any proceeding against a delinquent property owner personally, such costs, disbursements, and attorneys’ fees to be further secured by such lien. No owner may waive or otherwise escape liability or assessments by non-use of the Facilities or abandonment of his Lot.

Section 10: Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage of deed of trust now placed upon the property to which the lien attaches. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof including sale under a deed of trust, shall extinguish any lien of an assessment which became a lien prior to such sale or transfer. Such sale or transfer shall not release such Lot from liability from any assessments thereafter becoming due or from the lien thereof.

Section 11: Exempt Property. The following property subject to Declaration shall be exempt from the assessments, charges and liens created herein:

- A. All easements of other interest dedicated and accepted by a municipal corporation or other public authority and devoted to public use.
- B. Any common areas.

In addition, thinning of trees less than 6 inches DBH (diameter measured at breast height) shall be permitted where necessary for the beautification of the property. Thinning of trees greater than 6 inches DBH may only be done with prior approval of the Architecture committee.
